Ticket plans

WYCOMBE this week announced their ticket arrangements for the Bournemouth match on November 22.

"The minimum price set by the FA is higher than the one we normally charge. But with the co-operation of Bournemouth, we have been able to keep it at the minimum required by the FA."

Ground admission: adults — £1, boys — 75p, OAPs 50p. Enclosure in front of main stand 25p transfer. Seats in stand: wing £1.30, centre £1.50 (both prices inclusive of ground admission).

Season ticket holders and members who wish to claim their seats in the stand must do so before 7.30 pm on Tuesday, November 11. After that they will go on sale to the public.

Tuesday's match against Hitchin depends on the result of Hitchin's FA Trophy tie with Billericay tomorrow. But the ticket arrangements are the same, whether there is a game or not.

The club stress that the Bournemouth game is not all ticket.
